## WHAT OUR MEMBERS DO

Deliver **support and care for vulnerable people** across Wales, underpinning the NHS

## WHAT WE DO FOR OUR MEMBERS

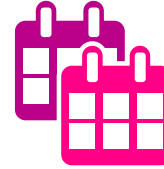

**Expert advice** to queries including legal, health and safety, contracts and regulation

WhatsApp groups to **circulate information fast** and allow providers to exchange information and support

Regular **enews updates**

**Online and in-person seminars and events** including with employment lawyers and CIW

Pro-active **PR team and crisis comms advice**

## INFLUENCE WELSH GOVERNMENTS, REGULATORS AND COMMISSIONERS ON:

**Contract, fees and funding**

**Fair Work Agenda**

**Economic role** of the care sector

**Training, qualifications and registration**

**Public Ratings**

## OUR SUCCESSES

**Negotiating Covid support and responding to UK Enquiry**, including hardship fund and free PPE

Winning back over **£30 million** in Funded Nursing Care fees. No registration fees for Welsh providers

**Negotiating improved contracts and fees** with local authorities and health boards

**Positive media coverage** for the sector

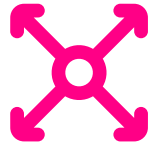

**Ongoing improvements** used to commission services to younger adult services

**Provider representatives** on all regional partnership boards

**Free flu vaccinations** for care workers

**Alternative routes for registration** of care workers

**WALES CARE AWARDS**  
**Annual celebration** of workers throughout the whole sector

**Care Forum Wales** is driving change by lobbying for an exemption in NICs within the care sector, ensuring fairer conditions for all. Meanwhile, our website is getting a fresh new look and will be relaunched soon – stay tuned for more updates!
